

78th St. Organic Community Garden

Garden Rules

- ✓ Each gardener is responsible for maintenance and upkeep of their garden plot. In addition to plot maintenance this will also include; a) maintenance of shared paths adjacent to your plot and to include no digging in paths; B) no smoking within the garden area; c) removal of trash from your plot and taken home for disposal.
- ✓ Gardeners who fail to maintain their garden plot and/or have a consistently weedy and unattended plot will be contacted and must clean up their assigned plot within 5 days. Continued inactivity will be viewed as abandonment of the garden plot, and the plot will be forfeited without a refund. Gardeners are responsible for keeping the staff of community garden informed of any address or phone number changes.
- ✓ Tools need to be supplied by each gardener. A garden shed may be available for gardeners who would like to contribute tools for shared use. Please put your name on all tools you want returned at the end of the season. 78th St. Community Garden is not responsible for damaged or stolen tools.
- ✓ Each gardener will be given the combination to the gate for access to the garden. Keep garden gate locked at all times and return all tools.
- ✓ Children are welcome in the garden but must be accompanied by an adult and must be supervised at all times.
- ✓ The application of herbicides/pesticides (weed killers) to the garden plots is prohibited as this is an organic community garden, please use only earth friendly products.
- ✓ Commercial use of the gardens is strictly prohibited.
- ✓ At the end of the growing season, gardeners are responsible for clearing their plot of all plant material and leaving the plot as they found it in the spring.
- ✓ Water—please remember to conserve and water in evenings or mornings. There will be two above ground water tanks for watering use.
- ✓ Each gardener must sign a Release of all Claims agreement before any work in the garden can begin.
- ✓ *NOTE: The 78th St. Community Garden is an interim garden. We are operating year to year—nothing is guaranteed for the 2010 season. Since this is the first year there is bound to be learning for all of us—let's all have fun gardening and learn together.*
